he should go: and when he is old,
he will not depart from it.
Proverbs 22:6, KJV

FROM THE BISHOP'S DESK

GO & TELL: ALL GENERATIONS

Over the past few years, "Dare 2 Dream!" has been our vision and mission. For some, this phrase became a turning point for their lives and ministry, their future and destiny, their goals and service. For others, the phrase was just that – a phrase, a group of words, a cliché. I hope as you read this, you are in the former, not the latter group because I believe NHM churches & ministers still need to dream.

I have been rereading the Gospels to study again the holy, anointed and timely words of Jesus and to reconsider the stories of those involved in the Good News of the New Testament. According to the Book of Matthew, Joseph had 3 dreams: First, confirmation from God to take Mary as his wife and that the Son in her womb was the Savior; Second, a warning and directive to take Mary and Jesus and flee to Egypt to save their lives; and Third, instructions to settle in Nazareth of Galilee. Each of these dreams contained a change of plans for Joseph, a charge from God for his life and a choice for Joseph to make – accept the dream or ignore it.

The same is true for us today ... in our personal lives and our churches. Changes, goals, purposes, visions are all a part of our dreams, those times in our lives when we must decide which path to take at the intersection. God puts dreams in us for His purposes and for our destinies. He touches our hearts, renews our spirits, jolts our complacency and brings new life. We need to dream again. Do you need to dream again?

What is your dream? What was your dream? What has God put in you for your future and destiny? What new ideas, renewed thoughts, restored hopes and fresh perspectives has The Holy Spirit spoken into you recently or from times past?

Dream. Then Dream again. Then again and again and again. Don't stop dreaming.

I have dreamed of NHM reaching our communities with the Gospel, discipling Christians, impacting our towns & cities through actions, deeds and words, making a difference. In this year of GO & TELL ALL GENERATIONS, let us dream of building The Kingdom, being The Body of Christ and doing His will in our lives & destiny.

Let's Dream!

MINISTERS' WIVES FELLOWSHIP

THE THREE C's

"**She said I did what?**" was the question I posed to my husband after he hung up the phone with a deacon who had just been given an ear full from a disgruntled church member. A complaint had been lodged against me...to a deacon! Long story short...I had walked right past her and did not shake her hand on a Sunday morning. Honestly, I don't remember seeing her. This incident caused her family to leave the church. Looking back, I wished I could have said to her, "I am so sorry. I didn't purposefully mean to ignore you. Please forgive me. We are so glad you've been here. I hope you enjoy the next place God sends you and that you will quickly feel at home."

Thank the Lord that he help us grown in wisdom with each situation we walk through! **Criticism, complaints, and conflict!** Yikes! Who wants any part of those? Certainly not me. I'm a peacemaker. No doubt, those three "C" words will invade your life if you've been in the ministry, let's say...more than one month!

When **criticisms, complaints, and conflicts** are true, we must receive them, apply wisdom, apologize, and make any necessary changes. If it is not true, treat it the same way you eat fish: eat the meat and throw away the bones. We cannot get caught up in the trap of making everyone happy. That's a no win situation. We must give account at the end of the day to the Lord. Our goal is to please Him.

Can we recover from **criticism, complaints, and conflicts**? The answer is YES! If we are going to survive life in the ministry with a grateful heart and right spirit, we must,

- Leave the results to God
- Be grateful for the positive side of ministry
- Practice radical forgiveness

Hebrews 12:15 encourages us with, "*Look after each other so that not one of you will fail to find God's best blessings. Watch out that no bitterness takes root among you, for as it springs up it causes deep trouble hurting many in their spiritual lives.*"

At the end of the day, we don't have many options. Holding grudges, keeping a record of wrongs, being guarded and distant with one another, refusing to let a hurt go, or waiting for the other person to apologize first are all responses that feel justified but will sabotage the unity and harmony God says must define His body, the Church. "*How good and pleasant it is when God's people live together in unity.*" (Ps. 133:1) When one of the three "C's" touches your life try, to focus on the positive. Every positive item will increase your gratitude and decrease the real possibility of bitterness twisting your soul.

Our unity in the Church, as characterized by forgiveness, can bring someone to Christ or push them away from Christ. Our world needs to see God's people living in harmony and unity so that they will know God loves them, too.

Lovingly, Michelle

Pastor Appreciation Day October 14, 2018

Take time to celebrate your pastors and their families. As God's servant to His people, acknowledge your pastor's work, dedication, and ministry to the flock. All of October is Pastor Appreciation Month. From the NHM Offices, Pastors: we thank you for your devotion to the Gospel and leadership within the conference, your local church, and your local community.

NHM Missionaries Spotlight

New Horizons Ministries has always generously supported IPHC career missionaries and especially those from our conference: Jason & Catrina Bicket, Matt & Femke Helland, Misael & Daniella Lucano. The Bickets are presently raising support for their move to Israel and Russia. The Hellands are serving in The Netherlands. The Lucanos have planted a church in Bolivia and are preparing to plant a church in Panama. All of these are NHM ordained ministers. We support their efforts and encourage you to financially and prayerfully support them as well. Note: NHM has other credentialed ministers such as Jim Eby (Mission Catalyst), Jerry Morris (Bridge Builders International), Mike Reed and Terrence & Martha Carey who are not career missionaries at this time but who are considered short-term missionaries with their IPHC missionary efforts in Asia, South American and Africa.

NHM would like to thank every church that participated in this year's Youth Quest & National Fine Arts Festival; Ada, The River, Magazine, Solid Rock, Tulsa, The Link, and Wewoka, New Life. NHM was well represented in all the categories with entries from our conference. We are proud of you all and look forward to seeing everyone at Jacksonville, FL next year!

CLERGY CARE

The Lilly Endowment Grant site is fully functional for pastors and church communities. We endeavor to help individuals reach their full potential, families to thrive and communities to flourish through grants to a range of charitable organizations. To these ends, our grantmaking is framed by two potentially contrasting convictions: that tradition is an important resource and that fundamental rethinking often is necessary to respond effectively to new challenges and circumstances. These convictions arise from the encouragement J.K. Lilly, Sr. gave to his sons to be conservatively progressive. That philosophy was evident in their leadership of their company and the establishment and administration of the Endowment.

Clergy Care Ministry offers "Marriage Toolkit for Transformation" Seminar to pastors and churches. Stronger marriages produce strong families and churches! Contact us for more information at nhmclergydev@gmail.com.

Take some time to plan for your future considering that you are going to age and may want/need to retire. When should you start planning for retirement? When you're 25, 35, 45 or 55? The answer is **NOW!** Most people are usually not good at saving and will put off planning for retirement to meet immediate needs. However, if you don't start now, there may be less funds for you when you reach retirement age. Begin now to check into retirement plans through the IPHC, stock investors, insurance companies and your bank. If you have any questions about this article or more information email us at nhmclergydev@gmail.com.

WOMEN IN MINISTRY

VISION 4 EDUCATION

For over 75 years, women throughout the IPHC have seen the importance of education, and especially the need for it in a Christian environment. IPHC Women's Ministries has worked in the local churches for all these years to provide aid and assistance to students attending our denominational institutions. We encourage all women's groups to send a donation for our students.
