FROM THE BISHOP'S DESK: GO & TELL - Generation to Generation

“For the Lord is good and his love endures forever (mercy is everlasting); his faithfulness continues through (truth endureth to) all generations.” Psalm 100:5

“One generation will commend (praise) your works to another; they will declare (tell) your mighty acts.” Psalm 145:4

As New Horizons Ministries, we acknowledge and honor our heritage while we look forward with great hope and anticipation for future generations to know the love of God, experience the grace of Jesus and live in the power of the Holy Spirit! GO & TELL: Generation to Generation!

HONOR OUR HERITAGE

For 96 years, New Horizons Ministries has existed to serve our communities, participate in the Great Commission, and credential ministers into service. As members of the International Pentecostal Holiness Church, our Holiness and Pentecostal heritage has been strong, anointed and determined. Living saved, sanctified, power-filled lives, we have proclaimed the Gospel. Miracles, demonstrations of God's power and joyful worship have been evident in our services and revivals. We are a People of Promise, a Place of Hope for all generations.

THIS PRESENT GENERATION

Our churches have every generation, from Boomers to GenX to Millennials to GenZ. Some of our church members have seen the invention of radio, TV, computers, and the internet. We live in a society of microwaves, cell phones, Facebook, Twitter, Netflix, SnapChat. Our facilities range from pews to chairs, hymnals to powerpoints, live to livestream. Our culture promotes Black Lives Matter, Blue Lives Matter, All Lives Matter, but what really matters is the Gospel being share, lives being changed, and the Great Commission being lived.

GENERATION TO GENERATION

1. God is faithful/good, His love endures forever & grace is sufficient & complete
2. Witness. Testify. Tell of God's great works, miracles, power, might, and blessings
3. If we want the next generation to experience God's power, WE must live it
4. 1 Timothy 4:11-14 – Set an example in speech, life, love, faith and purity
5. NHM: Equipping and Releasing Churches and Ministers into Divine Destiny

GO & TELL: GENERATION TO GENERATION

We must GO & TELL, Share the Gospel, Disciple Christians. We are A People of Promise, A Place of Hope. We must have our generations come together in one purpose & goal: Live the Great Commission. We must tell our testimonies, live our sermons, share God's Word, be The Church. GO & TELL is for every race, every color, every individual, every age: Generation to Generation.

PERSPECTIVES FROM THE FIRST LADY: Don't Worry Be Happy

Research indicates that 97% of the things we worry about never actually happen. There are plenty of things to worry about. Got an ailment, just google your symptoms. That will make you think you're dying tomorrow. Worried about pending weather? Replay in your mind all of the catastrophic events of the past. Worried about your children (and who isn't at times)? Just remember all of the immature things we did growing up. Worrying is like a rocking chair; it will give you something to do but it won't get you anywhere.

Webster defines worry as, “mental distress or agitation resulting from concern usually for something impeding or anticipated.” Worry is not an emotion; it is a mental exercise. Worry rises to an unhealthy level and takes its toll when:

- We're not sleeping
- We're not productive
- We're worried about two or more topics more days than not
- We're focusing on situations of worry more than on the other business of life
- Our life feels out of control

While it is easy to simply say, “Don't Worry!” it can be difficult to change this pattern of thinking. One approach is to set limits so that worry doesn't continue to range out of control.

1. Start each day with God (Ask God to give you peace for what's ahead).
2. Pray about your worries (Ask God to give you direction)
3. Keep a journal (Document requests and His answers)
4. Set boundaries (Time line for decisions, learn to say no, can't please everyone)
5. Think differently (Relax, eat, sleep, exercise, use calendars, declutter, organize)
6. Seek balance (Goal: walk in peace. Find balance between prayer & action)

Worry is a smaller level of fear and fear is the opposite of faith. When we operate in fear or worry, then we do not have the faith or trust that God has a plan and is in control. God wants the very best for his children. He wants us to walk in full confidence that we can trust in Him in EVERY situation. 2 Timothy 1:7 states, *“For God has not given us a spirit of fear, but of power and of love and of a sound mind.”*

Lovingly, Michelle
