FROM THE BISHOP'S DESK *HAPPY NEW YEAR*

2022. A new year and an almost empty calendar. The date boxes are ready to be filled with opportunities and challenges – birthdays, anniversaries, graduations, family events and church ministry, along with medical procedures, school tests, meetings, funerals and dental appointments.

As we move into **2022**, let our hearts be filled with hope, joy, peace and love – the Advent themes we embraced. May we dream big dreams, have great visions and live in the abundant life promised by Jesus. Allow God to direct your path as you trust Him and acknowledge Him while not leaning on your own understanding (**Proverbs 3:5,6**).

ARISE 2033. We will continue, as part of the IPHC ARISE 2033, to move forward in our goal to reach our geographic area with the Gospel. Micro-site Churches/Groups will be introduced this year as we seek the best ways to increase our impact and influence in our communities.

GO & TELL! The IPHC Healthy, Growing, Multiplying (HGM) Churches emphasis will continue in NHM to assist our churches and pastors to become the most effective, anointed, involved and productive congregations and fellowships in sharing the Gospel (evangelism) and equipping believers (discipleship). With 2 NHM HGM trained coaches leading the way, we will have 10 leaders currently using HGM strategies and systems to assist, mentor and coach our NHM pastors in this process. As we all work together, our united efforts will bring the harvest.

ARISE IN PRAYER. A revived emphasis on prayer in the local church will be presented in 2022. The goal of the IPHC and NHM will be to return our churches to being Houses of Prayer for the Nations. Prayer is not to be just a ministry in the church, but is to envelop and saturate every ministry, every effort, every service and everything The Church does to build The Kingdom.

LOOKING AHEAD In 2022, NHM will have numerous events to equip and release, to celebrate and honor, to prepare and involve our churches and ministers: Great Commission meals, EQUIP Training Day, Conference Session, School of Ministry, DESTINY, the Gatherings and VISTA, our Emerging Leadership Council training. We hope you will attend and participate in these opportunities.

The **IPHC GENERAL CONFERENCE** will be in Jacksonville, Florida, July 27-29. All licensed/ordained ministers, pastors and certified local church delegates are encouraged to attend. General Conference is the event where National IPHC Officials are elected, changes are made to the IPHC Bylaws/Manual and great worship services & training take place.

PERSPECTIVES FROM THE FIRST LADY

Living the Moment #1: Unclutter Your Mind

“Mom”, my college student shouted, “I need ADHD medicine! I’m having a hard time concentrating!” I proceeded to tell him that if he truly were ADHD his elementary school teacher would have mentioned it. This son had come home and was attempting to study for a final. He sat at the dining room table, laptop in front of him, cell phone within reach, ear buds streaming music and a blaring television in the adjacent room. He was so anxious! Like any good mother I said, “I don’t know how you can study with all of those distractions going on!” So many stimuli were interfering with his ability to focus on what was important.

This scenario prompted me to examine my own life and ponder if I also was surrounded by too many stimuli cluttering up my mind. Were my surrounding stimuli weakening my ability to discern the voice of the Lord? How many times have I prayed, and my mind immediately started to think about other things, or I pick up that phone because it dinged with some type of notification. Upon my revelations, I concluded that I am responsible for what I allow to enter my mind. While I cannot control others, I can guard my own heart and mind. I can refuse to clutter my mind with unnecessary things.

During King Solomon’s reign from 970-930 BC, he tells us in **Proverbs 4:23**, *“Above all else, guard your heart for it is the wellspring of life.”*

As Paul was ministering to the church in Philippi, he stated in **Philippians 4:6-7**, *“Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God which transcends all understandings will guard your hearts and your minds in Christ Jesus.”*

Just as King Solomon in the Old Testament and Paul in the New Testament lament about guarding their minds and hearts, so must we! If we can declutter our minds and minimize the stimuli, then we can focus on the important tasks at hand and hear the voice of the Lord.

So, here is what I encourage you to do. Take your everyday, ordinary life and place it before God as an offering. Allow Him to assist you in Uncluttering Your Mind so that you are Living the Life He intended.

For Him, Michelle
